Umpires Obligations

- a) Where an Umpire reports a Player or Official during the course of a match, the Umpire shall use his or her best endeavours to inform the Player or Official of the report: -
 - i. At the time of the incident; or
 - ii. Before the commencement of the next quarter; or
 - iii. Where the incident occurs in the final quarter, after the completion of the match.
- b) The Umpire shall use his or her best endeavours to inform the person against whom a Reportable Offence has been committed of the report (if applicable).
- c) An Umpire may inform the Captain, Acting Captain or Official of a Team of a report where it is impractical to inform the Player or Official who has been reported.
- d) Apart from informing a Player or Official of the report, an Umpire shall not speak with the reported Player or Official or any other Player or Official about the report which has been made.

Notice of Report

During the Match or after the completion of the Match, the Umpires shall complete a notice or report using the online application prescribed by the controlling body.

Notification of REPORT to the APFL.

Match Review Officer (MRO) will receive notification of report once the official has entered information into the online application.

Tribunal Date, Venue and Time

Club Secretaries or Presidents will be notified by APFL FOC of the Date, Venue and Time of the Players hearing.

Tribunal Rules – SANFL Domestic Tribunal Rules

The most important principle of the Tribunal is **Natural Justice**.

- a) Players have a right to appoint an Advocate or represent themselves. If a player appoints an Advocate, they forfeit their right to cross-examine the Umpire. Any questioning must be done through the Advocate.
- b) Players Plea – A Player may plead Guilty or Not Guilty.
- c) The Tribunal should seek to ensure that the Player provides a plea consistent with his evidence i.e., if a player is charged with a ‘Deliberate Strike’ and may wish to plead guilty to an ‘Accidental Strike’. In that case his plea to the charge should be Not Guilty.
- d) Player’s evidence – This can be in his own words, which is preferred, or through a written statement or by being led through his evidence by his Advocate in a question and answer type fashion.
- e) Witnesses–The tribunal cannot deny the Player the right to call any such person as a witness in defending the charge against him.
- f) When a Player does not attend – the hearing should not proceed unless he is prepared for a nominee, usually his Advocate to tender a plea for him (in which case the plea would have to be one of Guilty) If he pleads Not Guilty then the Tribunal should adjourn the hearing until the player is able to attend.
- g) Technicalities – only 2 kinds of technicalities to throw out a report and they are:
 1. Failure of an Umpire to advise the Player that he has been reported, pursuant to law 16.10.1.
 2. The Umpire reporting the wrong Player.
